

HAMISH BEATTIE

UX-UI DESIGNER

August 2018

PROFILE

Over the past 19 years, I have had the fortune of working within many organisations ranging from Agency, Government, Mining, Finance, Sport, Software, Telecommunications and my own Design Agency.

During this time, I have witnessed and experienced the evolution of the “online world”, adapting with the ever-changing environments, theories and principles of design.

My passion has always been design and ensuring the best user experience.
